PROJECTS

- InvoiceMax: Developed a comprehensive invoicing application using React.
- Budget App: Created a user-friendly budget management tool with react
- and others......

ADDITIONAL INFORMATION

- Actively involved in continuous professional development through online courses and community projects.

- Regularly contribute to open-source projects, and participate in developer forums to stay updated on the latest trends in front-end and web development.

PROFESSIONAL SUMMARY

Dedicated Front-End Developer with a strong background in React and web development, transitioning from agricultural research. With over five years of experience in IT, I specialize in building scalable, user-friendly applications. Seeking a Front-End Developer role at an innovative IT company, particularly in the SaaS or e-commerce sectors, where I can leverage my technical expertise and problem-solving skills to drive impactful solutions.

WORK EXPERIENCE

Application Development — 2024 Till Date

Developed personal projects to enhance practical skills in web application development, including:

- **InvoiceMax:** Developed a comprehensive invoicing application using React. Improved invoice management efficiency for users by implementing dynamic form validation and printing to PDF.
- **Budget App:** Created a user-friendly tool for tracking expenses, offering detailed expense reports.

Obafemi Awolowo University, Ile-Ife — 2014 - 2024

Junior Research Fellow

- Conducted research and analysis in plant breeding, utilizing data-driven methodologies. Collaborated with academic teams to produce research papers and publications.

Mediaxtreme *(Self-employed)* — 2012 - 2014
Occasional ongoing work

Professional Graphics Designer and General Purpose Printing

- Specialized in T-shirt merchandise, brochures, program of events, textbooks, large format printing, and general-purpose media design.
- Managed client projects from design conception to production and delivery.
- Developed expertise in handling various media formats and production processes.

Tiens — 2011 - 2012

Life and Health Coach

National Youth Service Corps (NYSC) — 2010 - 2011
Agricultural Science Teacher

- Developed and delivered educational content in agricultural science to secondary school students.
